GOPALAM KALYAN

Certified Ethical Hacker, Pen tester, Python Dev

I am a hardworking and ambitious individual with a great passion for programming and Cyber security Industry. I am currently in my 1st year of BCA Computer applications and science at Reva University. I have a better communication skills, enabling me to effectively communicate with wide range of people. Skills I have acquired are python Dev, Frontend Dev, Pen-testing, Animation and 3d modelling. I am seeing a part-time position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organization that I work for
